Work Experience

Web Developer Intern

Book of the Month April 2022-September 2022 /
Dhaka, Bangladesh

- Developed in-house web app using Node, React, and HTML/CSS that allowed employees to manage and recommend books
- Gathered user requirements, and built and maintained code for the tool, saving employees 14 monthly hours in labor
- Collaborated with 3 interns and senior developer to brainstorm and implement ideas and feedback into app's development
- Selected as the top performing interns by the technology team
